

Dear Messers,

This is Amal form KSA; I have an E-marketing and ecommerce degree certified, and I'm looking to open my online store during the coming period.

Glad to know your company provides higher quality products and better performance, it is precisely for that reason that we pleasure to offer our service to be your brand agents, and put all your products into our store in KSA according to agreed terms.

We have the aggressive expansion plan in the area by a present excellent services, great quality, and creative ways in marketing to be the leaders in field.

I would be grateful if we could have cooperation with your company to present your products in area is a scarce to find diverse options and top quality of uniforms collected in one store here in KSA.

Kindly find below the attached files for project documents.

Please confirm received

Best regards.

Amal mohammad
