#### SAUDI DATA & AI AUTHORITY - SDAIA

## ARTIFICIAL INTELLIGENCE ARTATHON 2.0

The second edition of the Artificial Intelligence Artathon of Art 2.0 will be launched in mid-August 2021. Digital platforms will be activated to serve the four tracks to reach those art pioneers and anyone interested in art and technology through content and digital promotion in four phases to reach the strategic goals.

Art for artists is an EXPRESSION OF EMOTIONS AND IMAGINATION, it's basically their language.

At the Artathon, Al is the one creating art, how is that possible? Does Al have an imagination or feelings?

### Artathon Phases:

### The First Phase: Launch & Registration:

The 2nd edition of the Artathon will be announced through social media platforms. Posts will define the competition, its schedule, and enlight the world about Saudi Arabia's leadership role when it comes to AI based artwork and building prosperous tech-centric societies. During this phase promotion will target those interested in the field of art and technology leading to the four tracks to create a coherent link that's full of information and interaction in between the registration and advertisment phase.

### Phase Goals:

 Raising awareness of the Artathon competition and the role of the Saudi Data and Artificial Intelligence Authority

Hold a strong digital presence to attract participants.

Raising awareness about Al-based art

 Demonstrate the role of artificial intelligence in building a prosperous society

### The Second Phase: The Start of The Competition

The second phase is the actual beginning of the competition, so the focus will be on the participants, the quality of their innovations, their interaction with experts, creating a competitive creative atmosphere, educating the community through discussion sessions and workshops, and this phase will be promoted electronically in order to enhance the role of artificial intelligence in the four tracks of the competition, in addition to Raising the quality of competition and participants.

- Display the quality of the competition and the competitiveness among the participants
- Educating the public about AI-based art
- Crowd the audience and create interaction with the contest

#### Notes

Plan is valid for 2 Weeks only as costs varies based on competition, seasonality and other factors Interests and lookalike targeting will be used in both phases to target people interested or showed interest in artificial intelligence and topics related to that

### The Third Phase: The Boot Camp

It's the longest phase of the Artathon and it lasts for 10 or 8 weeks, it focuses on training programs with experts, highlighting competition among participants, covering the training course, and visits to the General Authority for Artificial Intelligence headquarters, Along with promoting contestant innovations and training sessions with experts via social media and websites

- Highlight the training programs
- Support the participants in the training camp quality of arts and the artistic innovations
- Display Enhance the quality of arts and innovations being displayed

# The Fourth Phase: Global Artificial Intelligence Summit "Art Exhibition"

The final phase of the competition will be an art exhibition, in which the names of the winning teams will be announced in the attendance of experts and participants. Al art will be exhibited physically, digitally and widely promoted to reflect Saudi Arabia's leading role in Al and its reliance on it to build its future.

- Strengthening the Kingdom's position in the field of artificial intelligence
- Raising awareness on the role of artificial intelligence in the future
- Display the quality of the works involved and the number of participants
- Demonstrate organization and new technologies during the art exhibition

# PROMOTION PLANS

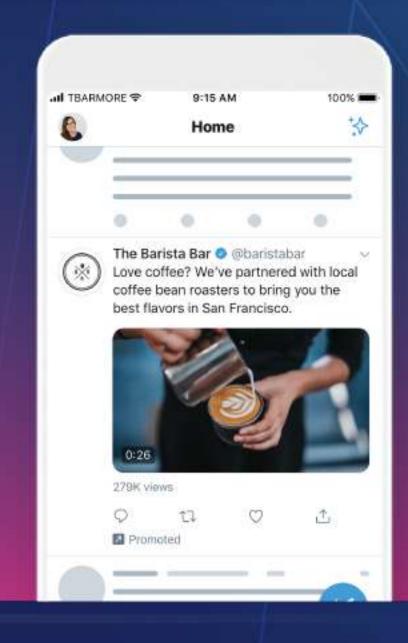

# 

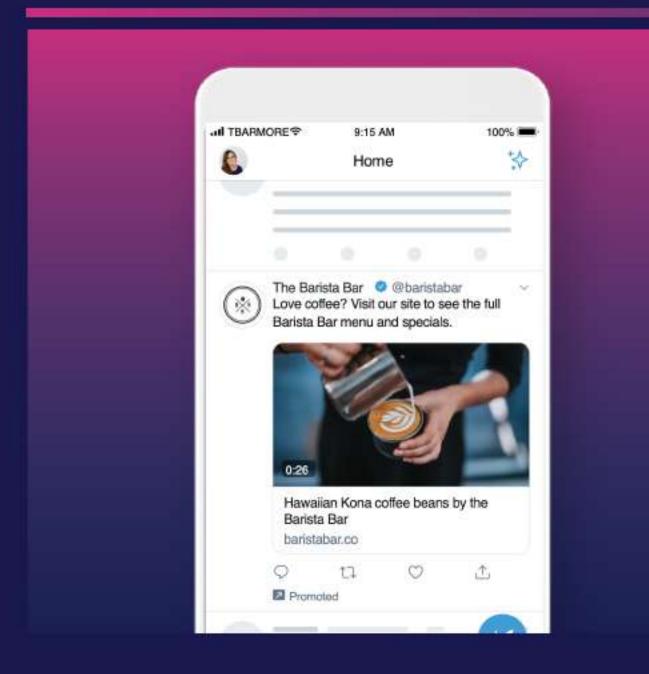

#### Twitter Ad formats

#### **Promoted Video**

Twitter will allow you to promote a video from brand's account. The video autoplays when shown in a person's timeline. Promoted video is our most proven video ad solution, and drives brand metrics and sales. Stick to this tried-and-true ad format, or take it a step further and use additional features to achieve specific goals.

Video website card

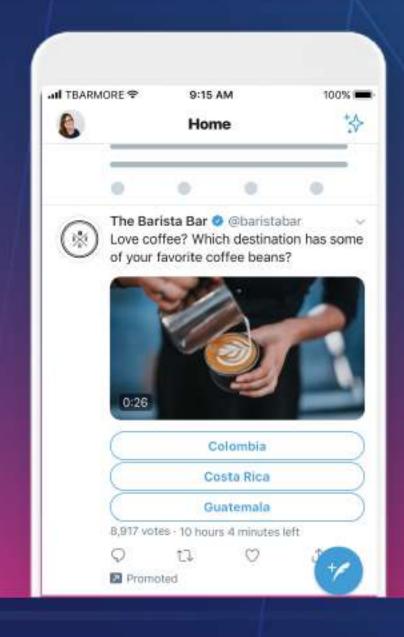

Capture attention with your best video or image content and drive people to your site or to take an action in the moment.

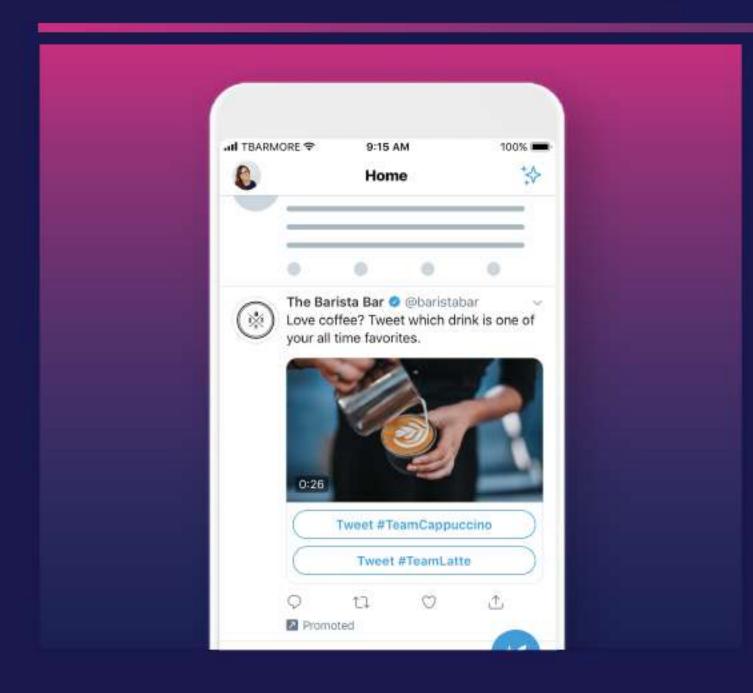

The Video Website Card enables marketers to promote their website with video creative, creating a rich experience for the user, a continuation of the conversation started in the video, and more qualified site visits. Upon clicking on the video unit, the destination URL loads and the video shifts to the top of the screen and continues to play. The video then scrolls with the page.

#### Video Poll

Engage your audience and gain valuable insights by adding interactive polls to your video ads. Video Polls are a great way to engage with followers by adding a poll question to videos. Polls are an effective way of prompting users to engage with your content, and combining polls with visual elements gives users something specific and eye catching to orient your question around.

#### Video Conversation Card

Drive engagement and conversation with embedded Tweet buttons that prompt users to Tweet about your brand to all their followers.

Conversational ads are promoted Tweets with compelling videos that include call to action buttons with customizable hashtags. Once clicked, the button creates a pre-populated Tweet that users can customize or Tweet out. Conversational Ads have proven to be an effective way of engaging with customers, and driving them to share a brand's message.

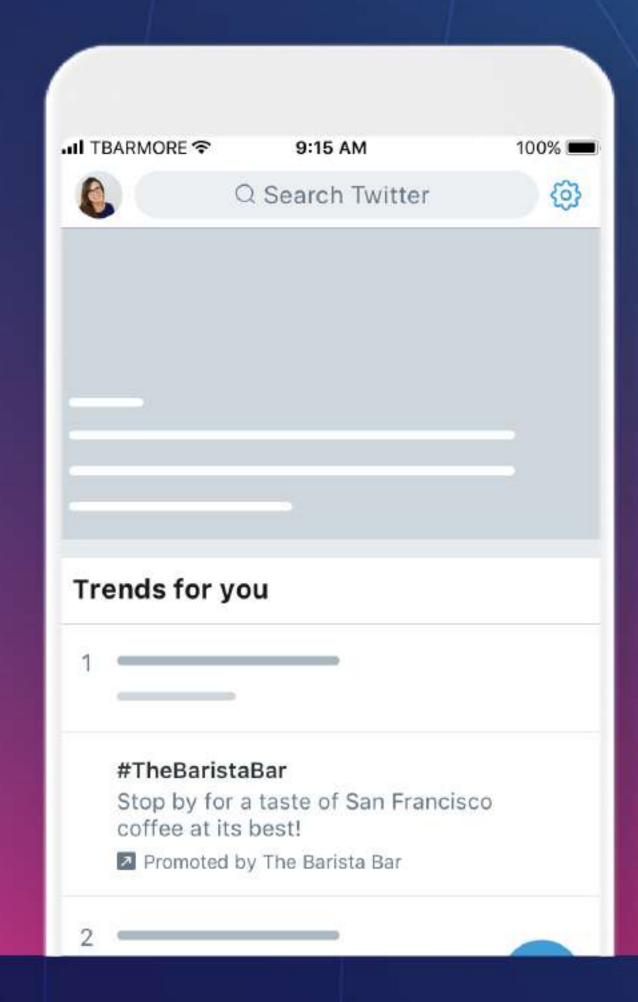

#### Sindend levoeriel oeplin f

#### Promoted Trend

Place your brand at the center of conversation, by featuring your brand's desired hashtag in the top Trending List within the Explore Tab — where people go to see what's trending for the day.

This high impact placement drives mass-reach, enables user discovery and scales your campaign across Twitter and includes promoted video ads in the Home Timeline as well.

Also, It can also be paired with a First View to maximize awareness and reach across Twitter's most popular surface areas.

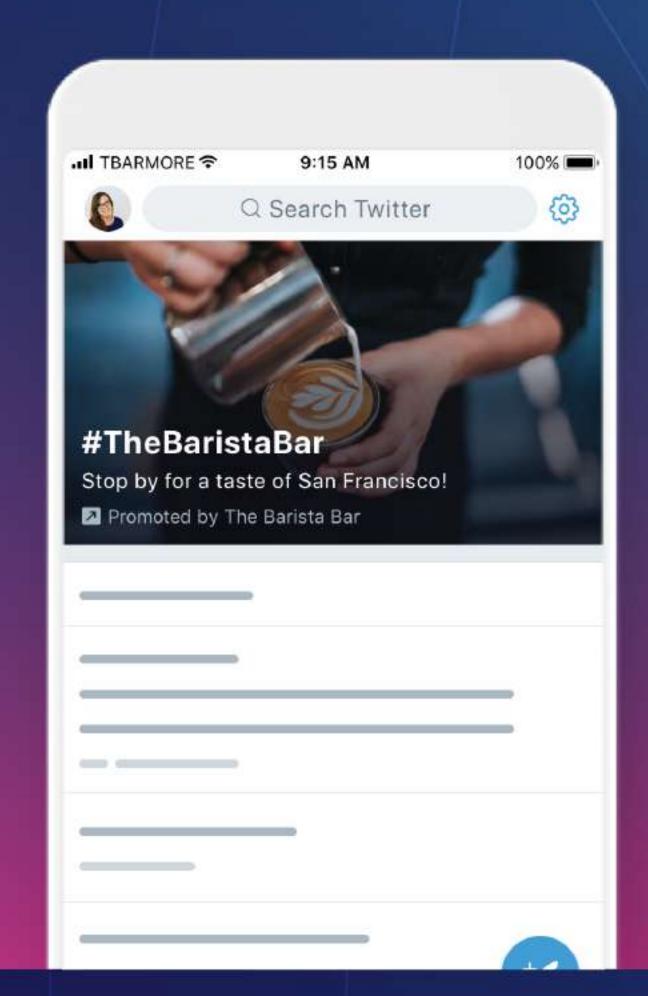

#### SISUBOTA TEVOSIAS OSBIV V

#### Promoted Trend Spotlight

Want to make an even bigger splash? Upgrade your Promoted Trend to a Promoted Trend Spotlight in order to feature your brand video at the top of the Explore Tab. There your video ad will be featured in the top position for people's first two visits of the day before returning to the Promoted Trend position within the Trends for You list.

# 

#### Image & Video

Snap Ads offer the magic of sight, sound, and motion — in a format truly made for mobile. Snap Ads begin with an up to 10-second vertical video, and then offer the option to add an interactive element one swipe away.

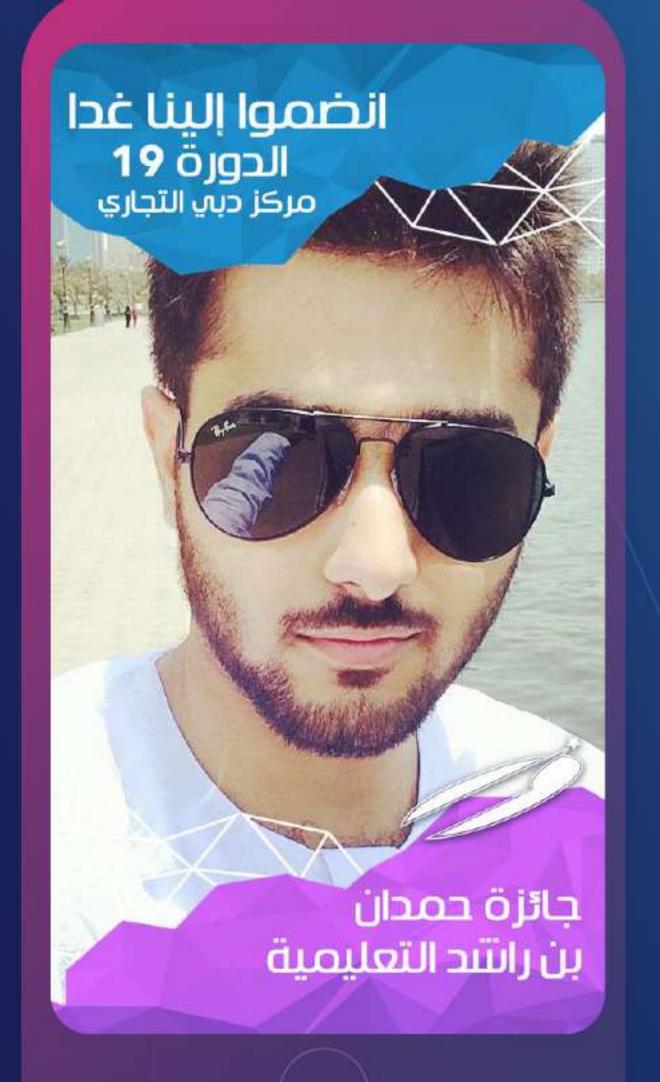

#### Filter ads

Filters allow you to add context every time Snapchatters take a Snap. Over 1 billion Snaps with filters are viewed every day — for restaurants, bars, parks, holidays, and more.

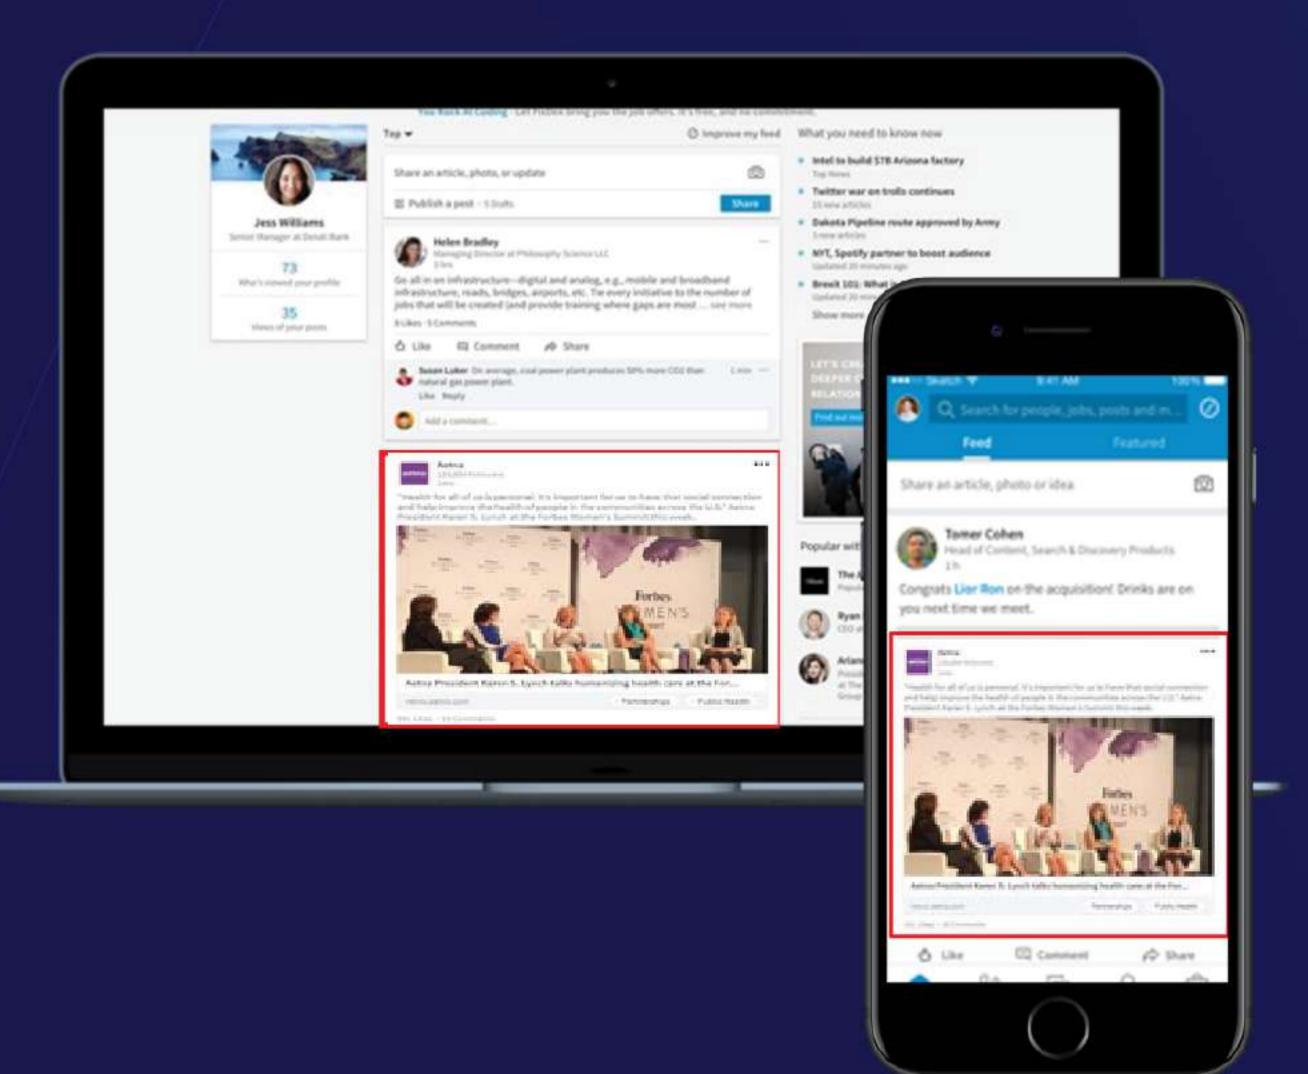

Filters can also be purchased on hyper-local, targeted level as On-Demand Geofilters. It offers a chance to be seen and sent by Snapchatters at your store, event, or other location. Drive awareness and engagement, in one swipe.
